

Wick High School
Pupil Rewards
RedCritic

Red Critter

- *RedCritter Corp* are a company based in Dallas, TX, USA.
- Founded in 2009 they started in allowing companies to recognise employees achievements and successes in the workplace and live on social media.
- We are the 1st school in Scotland to employ their education-focused version for pupil rewards, *RedCritter Teacher*.

- 
- All teaching staff have had accounts created as have all pupils on the roll.
 - Teachers are able to award pupils merit points in recognition of the following:
 - Co-operation
 - Great work
 - Class conduct
 - Effort
 - Homework

Teacher's Dashboard

Screenshot of the teacher's view of the system complete with their current classes:

The dashboard is titled "Hi Daniel" and features a sidebar on the left with the following elements:

- An orange square logo with the letters "DB" in white.
- A blue button labeled "My classes".
- A light gray button labeled "Share and earn credit".
- A light gray button labeled "Tutorials".
- Links for "My profile" and "My account".
- A purple icon for "Microsoft School Data Connect now".
- A green icon for "Google Classroom".

The main area is titled "Your classes" and includes a link for "Class managers sign in at k12.redcrittermanager.com". It displays six class cards in a 2x3 grid:

Class ID	Invite students	Launch	Archive
DENN201718	Invite students	Launch	Archive
EN32201718	Invite students	Launch	Archive
EN44201718	Invite students	Launch	Archive
F1EN201718	Invite students	Launch	Archive
R2EN201718	Invite students	Launch	Archive
SENN201718	Invite students	Launch	Archive

Each class card features a graduation cap icon and a blue "Launch" button next to a gray "Archive" button.

Awarding Actions or Merit Points

The teacher selects names from the class and then decides which category of praise is to be awarded:

The screenshot displays a classroom management interface for 'Mr Brazil's class'. The top navigation bar includes the teacher's name 'Daniel Brazil' and ID 'DENN201718', along with icons for 'Manage', 'Idea Lab', 'Reports', and 'Settings'. Below this, a search bar and filters for 'All', 'A-E', 'F-J', 'K-Q', and 'R-Z' are visible, along with a '+ Student' button. A list of students is shown, with initials 'BR', 'CR', 'DN', and 'DS' highlighted in colored boxes. A dropdown menu is open, showing 'Actions' with filters 'All', 'A-E', 'F-J', 'K-Q', and 'R-Z'. The action categories are: 'Class conduct', 'Cooperation', 'Effort', 'Great work', 'Homework', and 'Get more actions' (indicated by a plus sign in a dashed circle). A blue lightning bolt icon is highlighted in the 'Class conduct' category.

The Merit Points Structure

- Each Action awarded is worth 1 Wick High School Merit Point.
- These are cumulative and count towards the pupil's individual total as well as the total for their house: Fergus, Morven, Noss, Scaraben and Rumster.
- Pupils can then go on to earn Badges for themselves and their house if they reach set thresholds in points for the week, month etc. They receive the WHS Merit Badge.

The Badges

Effort

Co-operation

Conduct

Great work

Homework

WHS Merit Badge
(top performance
across week/month
etc..)

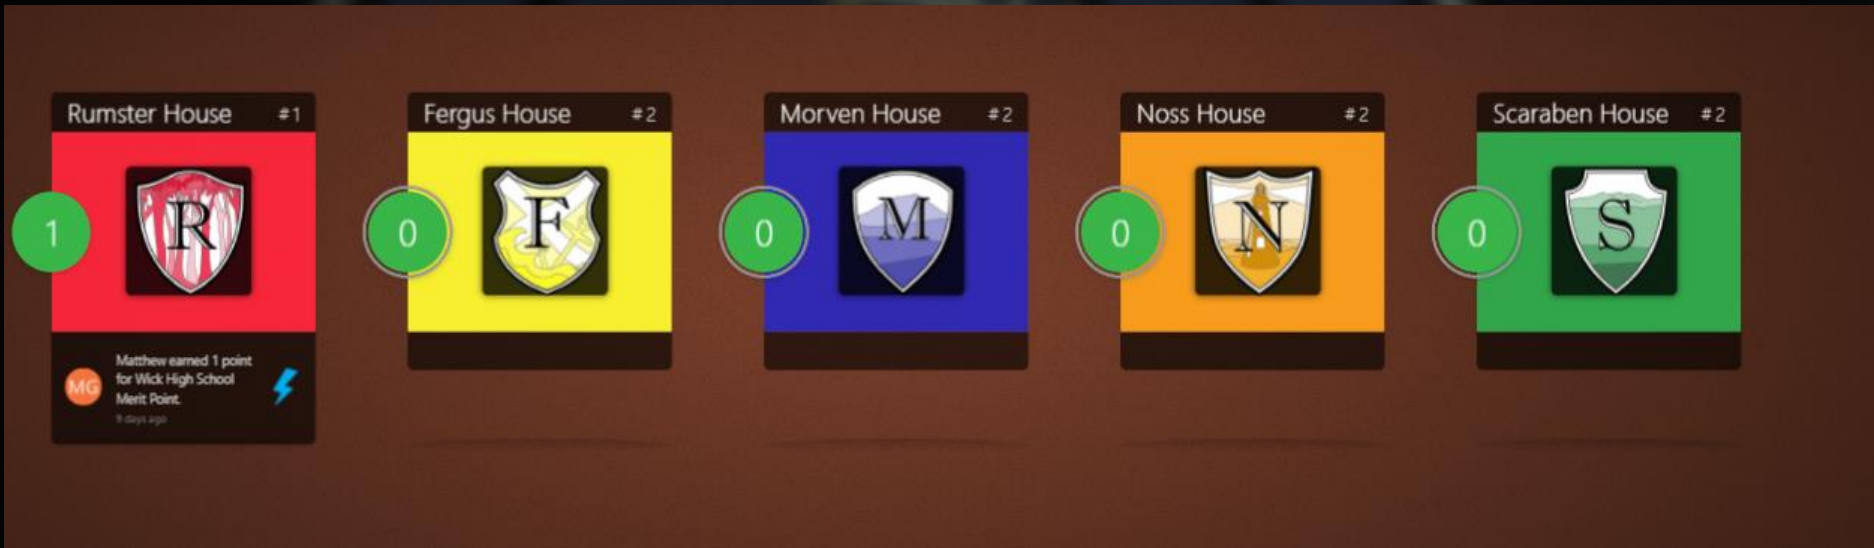

The Houses

- Redesigned school badges for the Houses:

Inter-House Competition

The points awarded are shown live on our website and (hopefully) our TV screens in the school:

The Apps

- Pupils and Parents can view points being awarded via the RedCrittter app.
- Teachers can award points via their dedicated app RedCrittter Teacher.
- Both are available on Android and iPhone app stores.
