

GUIDELINES FOR THE COMPLETION OF THE S2 into S3 COURSE CHOICE FORM

Instructions on how to complete your choice form:

1. You will study English and Maths plus **six** other subjects.
2. You need to pick **one** Science from Step 2a and **one** Social Subject from Step 2b.
3. You then need to pick **four** other subjects. Please note a subject can only be chosen once. You can also only pick Hospitality **or** Health & Food Technology.
4. Make sure you have discussed your choices with a parent/guardian and that they sign your choice form.

Please note the following:

- Please be aware that a change has been made to the S3 curriculum in the coming year.
- You will begin to cover National coursework in S3 to allow more time to prepare for the National qualifications that will be awarded in S4.
- You might want to think of this as a 'two-year' subject choice; not only for S3 but S4 as well.
- Although every attempt will be made to meet your choices, some classes may not run if there is insufficient demand or if staffing is not available and we cannot guarantee you will be able to study all of your choices.
- Further information on each subject can be found in the school prospectus on the school website.
- Choice forms must be returned to the Main Office by **Thursday 31st March 2022**.
