Engineering & Construction Parents Evening

UHI North, West and Hebrides are welcoming all parents of Senior Phase Construction and Engineering students to our college workshops to give you an opportunity to look around, see your child's work, and talk to staff and employers about future college and apprenticeship opportunities within the engineering and construction industries.

Your child will also have the opportunity to apply for our 2025 intake on the night.

Thurs 23rd Jan 2025

5pm- 7pm
