---

Apologies for the late notice, but we only got tickets confirmed on Monday afternoon. The price will be approx £265 for this trip. We would need at least a deposit of £150 per pupil by Fri 7<sup>th</sup> with any remaining balance paid by the end of Feb. If you have any queries re: payments please contact me asap as demand will be high.

**[craig.ross@highland.gov.uk](mailto:craig.ross@highland.gov.uk)**

As the actual draw was only done on Friday 31<sup>st</sup> of Jan and the Ticket Allocation was only confirmed on Mon 3<sup>rd</sup> of Feb the trip is not 100% guaranteed to run, as PE5 need to book us Coach Travel and Accomodation.

However, it is looking very promising so we must proceed with planning and payments on our side.

Once everything is confirmed and we have everything organised we will ask for Emergency Contact details and Medical issues/conditions as well as informed consent. But at this moment we need to gauge interest levels and if necessary pull names from a hat.

Please tear this slip above and return to Mr Ross (Art + Tech) by Thursday Lunchtime as we may have to offer some places to 1<sup>st</sup> Years. If you do not return your slip ontime then you will miss out on this opportunity.
